Report on Medical Camp

Department: Ayurveda	Program/Semester: Ayurveda Medical Camp
Activity: Extension and outreach Activity	
Date and Duration: 31 January 2026 /10.00 AM to 12:30PM	
Title: Glaucoma Awareness Month – Outreach Programme, Awareness Campaign, and Health Camp	
Resource Person: Dr. Praveena P. Nair Professor & Head of the Department, Department of Shalakyatantra	
Brief description/ Remarks: <p>As part of Glaucoma Awareness Month, the Department of Shalakyatantra organized an Outreach Programme, Awareness Campaign, and Health Camp at Multanpura, Mandsaur. The programme focused on educating the public about glaucoma, its early symptoms, preventive measures, and the importance of regular eye examinations.</p> <p>Final-year students actively participated in the programme by conducting door-to-door awareness activities, educating community members about glaucoma, its risk factors, and the need for timely eye check-ups. The awareness sessions were followed by basic eye health screening as part of the health camp. Faculty members and staff assisted in the smooth conduct of the programme.</p>	

Photos:

Outcome:

- Enhanced awareness among participants regarding glaucoma and eye health
- Improved understanding of the importance of early diagnosis and regular eye check-ups
- Active community engagement through door-to-door awareness activities by final-year students
- Successful conduct of the health camp with effective coordination and participation

No. of participants: 80 participants
